**Apply your market insight to generate
business opportunities - no income ceiling.**

This is an exciting full time
position delivering professional services
to buyers and sellers of businesses

For you, understanding the dynamics of a business is a
passion, something that always triggers your curiosity. You
will be interested in what drives people, comfortable building
relationships and business networks. ABC has a strong
reputation as a professional national operation and that's why
we attract the industry's most respected Brokers. You will be
an Independent Contractor (self employed) rewarded by a
generous commission only structure, with no earnings ceiling.
Join us and we can help you develop your skills
and network to craft a future that you truly "own".

**To become a Business Broker you need to hold a
National Certificate in Real Estate, or be prepared
to obtain one. You will already have had commercial
experience, either owning your own business or being
in a key decision-making role.**
